FY2022 Audit Update

We have completed our four annual audits. **All** financial audits and single audits were **clean** and **no audit findings**.

There was a minor compliance finding in Milwaukee as well as a compliance audit finding in California. We are working with the local teams to ensure that we do not have repeat findings for FY23.

This year's process operated smoothly and was completed in a timely manner.

Upon approval from the Board, the audits will be shared with authorizers, CDE, TN, lenders/bondholders and funders. It will also be posted on our website.

There are a few items still in process, to be completed by year-end:

- Single and supplemental audits: RRWC, RFA, RDL
- TN GASB audit
- LDC stand alone audit

FY2022 Audit Final Draft Review

- Review of Consolidated RSEA Final Draft
 - Financial statements

INDEPENDENT AUDITORS' REPORT

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Rocketship Education Inc. and its Affiliates (RSEA), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of RSEA as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RSEA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RSEA's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of RSEA's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RSEA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited RSEA's 2021 consolidated financial statements, and we expressed an unmodified opinion on those statements in our report dated December 11, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on RSEA's consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, which is the responsibility of management, is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. The accompanying supplementary schedules required by the 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel (Local Education Agency Organization Structure, Schedule of Instructional Time, Schedule of Average Daily Attendance, Reconciliation of Annual Financial Report with Audited Financial Statements), which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Rocketship Education, Rocketship Education Wisconsin Inc., Rocketship Education DC Public Charter School Inc. Launchpad Development Company, and Eliminations columns in the consolidated statements of financial position, activities, and cash flows, as well as the accompanying supplementary schedules of the consolidating statements of financial position, activities and cash flows, which are also the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information, except for the portion marked "unaudited", was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole. The Local Education Agency Organization Structure, which is marked "unaudited", has not been subjected to the auditing procedures applied in the audit of the financial statements and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated REPORT DATE on our consideration of RSEA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness on RSEA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering RSEA's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting

The consolidated financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

RSEA presents its consolidated financial statements as a California nonprofit public benefit corporation in accordance with Financial Accounting Standards which govern generally accepted accounting principles for non-profit organizations.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and support services benefited.

Cash and Cash Equivalents

RSEA defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less.

Net Asset Classes

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Restricted Cash

Restricted cash includes certain cash balances that are maintained according to debt reserve requirements and donor restrictions.

Accounts Receivable

Accounts receivable primarily represent amounts due from federal and state governments as of June 30, 2022.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost, if purchased or at estimated fair value, if donated. Depreciation of buildings and equipment is provided on a straight-line basis over the estimated useful lives of the assets ranging from 3 to 35 years. RSEA capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000.

Contributions

All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as contributions with donor restrictions. Restricted contributions that are received and released in the same period are reported as promises to give without donor restrictions. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

Conditional Grants

Grants and contracts that are conditioned upon the performance of certain requirements or the incurrence of allowable qualifying expenses (barriers) are recognized as revenues in the period in which the conditions are met. Amounts received are recognized as revenue when RSEA has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the statement of financial position. As of June 30, 2022, RSEA has conditional grants of \$28,893,119 of which \$5,669,362 is recognized as deferred revenue in the statement of financial position.

Revenue Recognition

Amounts received from the California Department of Education are conditional and are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in net assets without donor restriction, if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in net assets with donor restriction.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The RSEA is a non-profit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. RSEA file exempt organization returns in the U.S. federal jurisdiction and with the California Franchise Tax Board.

Compensated Absences

Accumulated unpaid employee vacation benefits are recognized as a liability of RSEA. Full-time school staff accrue between 10-15 days of paid vacation per 12-month period based on the employee's years of service and the paid time off (PTO) is paid out in full at the end of the school year. Full-time Network staff accrue between 10-25 days of vacation per 12-month period based on years of service. A maximum of 1.5 times their annual PTO accrual rate may be carried as an accrual balance at any time before an employee reaches their accrual limit.

Comparative Totals

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with RSEA's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Evaluation of Subsequent Events

RSEA has evaluated subsequent events through REPORT DATE, the date these financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure.

NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure are those without donor or other restrictions limiting their use within one year of the statement of financial position date. Financial assets available for general expenditures were comprised of the following as of June 30, 2022:

Cash and Cash Equivalents	\$ 48,532,010
Accounts Receivable	25,916,680
Grants Receivable	15,000
Less: Net Assets With Donor Restrictions	 (433,858)
Financial Assets Available for General Expenditure	\$ 74,029,832

As part of RSEA's liquidity management plan, RSEA invests cash in excess of daily requirements in short-term investments and money market funds.

NOTE 3 CREDIT CONCENTRATION RISK

RSEA maintains bank accounts with several institutions. Accounts at each of these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. RSEA occasionally has the need to maintain a cash balance in excess of the FDIC limit. RSEA has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 4 ACCOUNTS RECEIVABLE

Due from federal and state governments consists of funds due as of June 30, 2022. Management believes that these receivables are fully collectible, therefore no provision was recorded as of June 30, 2022.

NOTE 5 GRANTS RECEIVABLE

Grants receivable of \$15,000 consist of unconditional promises to give. Payments on promises to give are expected to be received during the year ended June 30, 2023. As of June 30, 2022 grant amounts connected with these promises to give have been recorded as grants receivable and have been classified as contributions with donor restriction due to implied time restriction. Management believes all of these amounts are collectible; therefore no provisions for uncollectible accounts were recorded.

NOTE 6 PROPERTY, PLANT, AND EQUIPMENT

Property and equipment consisted of the following:

NOTE 9 EMPLOYEE RETIREMENT

State Teachers' Retirement System (STRS)

Qualified certificated employees are covered under a multiemployer defined benefit pension plan maintained by agencies of the state of California. The certificated employees are members of the State Teachers' Retirement System (STRS).

The risks of participating in these multiemployer defined benefit pension plan are different from single-employer plans because: (a) assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers, (b) the required member, employer, and state contribution rates are set by the California Legislature and detailed in Teachers' Retirement Law, and (c) if the School chooses to stop participating in the multiemployer plan, it may be required to pay a withdrawal liability to the plan. RSEA has no plans to withdraw from these multiemployer plans.

RSEA contributes to the State Teachers' Retirement System (STRS), a cost-sharing multiple-employer public employee retirement system defined benefit pension plan administered by STRS. The plan provides retirement, disability and survivor benefits to beneficiaries. Benefit provisions are established by state statutes, as legislatively amended, within the State Teachers' Retirement Law. According to the most recently available Comprehensive Annual Financial Report and Actuarial Valuation Report for the year ended June 30, 2021 total STRS plan net assets are \$310 billion, the total actuarial present value of accumulated plan benefits is \$414 billion, contributions from all employers totaled \$5.744 billion, and the plan is 73% funded. The Schools did not contribute more than 5% of the total contributions to the plan.

NOTE 1 CONSOLIDATING STATEMENTS

These statements provide detailed financial information of each charter school.

NOTE 2 SCHEDULE OF INSTRUCTIONAL TIME – CALIFORNIA

This schedule presents information on the amount of instructional time offered by Rocketship Schools and whether the schools complied with the provisions of California Education Code.

NOTE 3 SCHEDULE OF AVERAGE DAILY ATTENDANCE - CALIFORNIA

Average daily attendance is a measurement of the number of pupils attending classes of the California schools. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of state funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

NOTE 4 RECONCILIATION OF ANNUAL FINANCIAL REPORT WITH AUDITED FINANCIAL STATEMENTS

This schedule provides the information necessary to reconcile the fund balances (net assets) of each California charter school as reported on the Annual Financial Report form to the audited financial statements.

NOTE 5 SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of RSEA under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Expenditures reported on the Schedule are reported on the accrual basis of accounting. Because the Schedule presents only a selected portion of operations of RSEA, it is not intended to and does not present the financial position, changes in net assets, or cash flows of RSEA.

NOTE 6 INDIRECT COST RATE

RSEA did not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Rocketship Education and its Affiliates (RSEA), which comprise the consolidated statement of financial position as of June 30, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated REPORT DATE.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of financial statements, we considered RSEA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control. Accordingly, we do not express an opinion on the effectiveness of RSEA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of RSEA's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether RSEA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Glendora, California REPORT DATE

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

Report on Compliance for Each Major Federal Program Opinion on Each Major Federal Program

We have audited Rocketship Education, Inc. and its Affiliates' (RSEA) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of RSEA's major federal programs for the year ended June 30, 2022. RSEA's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, RSEA complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative* Requirements, *Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RSEA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of RSEA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to RSEA's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on RSEA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RSEA's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding RSEA's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- obtain an understanding of RSEA's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of RSEA's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors Rocketship Education, Inc. and its Affiliates

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON STATE COMPLIANCE - CALIFORNIA

Board of Directors Rocketship Education, Inc. and its Affiliates Redwood City, California

Opinion on State Compliance

We have audited Rocketship Education and its Affiliates' (RSEA) compliance with the types of compliance requirements described in the 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel for the year ended June 30, 2022. The RSEA's State compliance requirements are identified in the table below.

In our opinion, RSEA complied with the laws and regulations of the state programs referred to above in all material respects for the year ended June 30, 2022.

Basis for Opinion

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. Our responsibilities under those standards and 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of RSEA and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of RSEA's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for the compliance with the state laws and regulations as identified below.

Auditors' Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to below occurred, whether due to fraud or error, and express an opinion on RSEA's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about RSEA's compliance with the requirements of the government program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the School's compliance with the compliance requirements referred
 to below and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with 2021-2022 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel and which are described in the accompanying schedule of findings and questioned costs as item 2022-001. Our opinion on each state program is not modified with respect to this matter.

RSEA's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. RSEA's response was not subjected to the auditing procedures applied in the audit of compliance, and accordingly, we express no opinion on the response.

Rocketship Si Se Puede Academy (RSSP) #1061 Rocketship Los Suenos Academy (RLS) #1127 Rocketship Discovery Prep (RDP) #1193

Criteria: Title 17, California Code of Regulations section 6025 requires that pupils enrolled in K, TK or 1st Grade for the year audited received two doses of a varicella vaccine and two doses of a measles vaccine prior to admission, or have a current medical exemption from varicella and measles immunization on file. For students with only one dose of either vaccine received prior to admission, the second dose is required within four calendar months otherwise, the pupil should be excluded from attendance.

Condition: During immunizations testing, one student at RSSP was found that did not receive the second dose of the varicella and measle vaccine within four calendar months and was included in attendance.

2022-001 Immunizations (Continued)

40000

Condition (continued): For RLS and RDP, one student at each charter school did not have either vaccination or exemption on file and the pupils were included in attendance.

Effect: RSSP, RLS and RDP are not in compliance with Title 17, California Code of Regulations section 6025 and over reported attendance as follows:

RSSP – 0.75 in Kindergarten RLS – 0.87 ADA in 1st grade RDP – 0.87 ADA in Kindergarten

Cause: Return to in-person instruction from COVID complicated efforts to obtain vaccination records from all students

Questioned costs: Based on the disallowed ADA indicated above, the dollar amount of the decrease in apportionment entitled is calculated as follows:

RSSP - \$9,136 RLS - \$10,603 RDP - \$9,143

Repeat Finding: This is not a repeat finding.

Corrective Action Plan: Starting the 2022-2023 year Rocketship Education has implemented a "holding area" within the student information system that will keep students out of the digital systems accessible to the school staff. This will act as a clear flag to school-based staff that a student should not be attending school or claiming attendance if required vaccinations are not received.
